

Caleb's Lullaby:

Kristen Lippe and Julie Umbach 2002

Oh Keeper of my soul tonight

Oh Ruler of my day

Your fire brings me warmth and light

Your cloud provides me shade

You care for me, my El Shaddai

You care for me, my El Shaddai

Oh giver of my daily bread

You meet my every need

Your glory rains from heaven

You have delivered me

My Provider, Jehovah Jireh

My Provider, Jehovah Jireh

I can't wait to see

What You've promised me

'cause Your faithfulness exceeds

all my hopes and dreams

all my hopes and dreams
